

Balaclava Commemoration Society Lists

- (1) With regards to spelling of names, there is much conjecture, since names appear with different spellings on different lists; I have therefore deferred to the spelling used in Lummis and Wynn, and have made corrections accordingly.
- (2) Incorrect information has been lined out, in order to emphasize the correct information, which is provided to the right of the incorrect entry.
- (3) All names not preceded by an asterisk were listed in bold print in Lummis and Wynn (to indicate "confirmed chargers") and appeared on the list of the Balaclava Commemoration Society of 1879.
- (4) All names preceded by a single asterisk were listed in bold print but only appeared on the 1877 Balaclava Commemoration Society List.
- (5) All names preceded by two asterisks were listed in small print and were not deemed to be "confirmed chargers".
- (6) Names followed by a parenthetical (77) or (79) indicate the list mentioned in Lummis and Wynn, when it is in conflict with the list developed by Moore.
- (7) Names followed by a parenthetical (N/A) indicate that there was no entry in Lummis and Wynn relating to either Commemoration Society List.
- (8) The Left hand column presents the names as shown in the 1877 list; if the spelling varied on the 1879 list, it is indicated to the immediate right of the columns listing the lists on which each subject's name appears.
- (9) Regimental numbers have been provided in the rightmost column.
